Acidity: 4,6 g/l

Residual sugar: 2,6 g/l

Cap: natural cork

Awards: gold medal Mundus Vini (2016)

Tasting notes :

This cuvee red wine from Tempranillo and Cabernet Sauvignon grapes presents itself soft and harmonious. In the glass the Querientes Crianza presents itself in a dark red, almost black. In the nose the Spanish red wine is full of rich fruit flavors with a touch of spices (vanilla and black pepper). Silky smooth with pronounced tannins.

A Crianza at a great value!

Serve at: 14- 16 °C

Goes well with white poultry dishes as well as ham.
