Awards: silver medal Mundus Vini (2016)

Tasting notes :

This cuvee red wine from Tempranillo and Shiraz grapes presents itself with an intense purple in the glass. The nose is full of ripe red fruits with toast nuances and a hint of vanilla. The palate is round and fleshy with a balanced acidity. This Medium-bodied red wine has very well-integrated tannins and it a true joy to drink.

Serve at: 14- 16 °C

Goes well with Tapas or by its own in front of an open fire.
